ANNUAL MEETING

Board of Directors and Executive Committee of the NCFR

Guidance in understanding the behavior of the mentally ill —

THIS IS MENTAL ILLNESS: How it Feels and What it Means

By VERNON W. GRANT, Ph.D., *Clinical Psychologist*

Many families will find help in this book. The nature and causes of mental illness, and especially schizophrenia, are here explained in simple, non-technical language by a clinical psychologist who uses personal case histories to illustrate his points. The author seeks to clear the way for understanding and acceptance of the mentally ill, and to show that there are relationships between the disturbed behavior of the mentally ill and

the fears, conflicts and insecurities of many considered "normal." "He (Dr. Grant) has translated into lay language, with rare clarity, compassion and perception, the symptomatology of mental illness. I am sure his book will contribute to the public understanding of the complexities of mental illness, and will do much to remove it from the shadows in which it has been cloaked."

Dr. R. H. Felix, Director, National Institute of Mental Health, Bethesda, Maryland

FOR USE IN ALL TYPES OF COLLEGES— *large and small, public, private, and church related*

MARRIAGE AND THE AMERICAN IDEAL

by FLOYD M. MARTINSON, *Professor and Head, Department of Sociology and Social Work*

Custavus Adolphus College - 504 pages - \$5.50

THIS BOOK is intended primarily as a preparation-for-marriage text. It maintains a consistent conceptual framework drawn from contemporary sociological and socio-psychological theory. It is, therefore, usable in "sociology of the family" courses and also in combined "sociological-functional" courses.

The author treats man as a valuing creature. Throughout the book he strives to show how the major value themes in American culture and the findings of social science relate to problems and decisions of marriage and family living.

Dodd Mead & Company, Inc. 432 Park Avenue South, New York 16, N. Y.

Books For Responsible Guidance

SUCCESS IN MARRIAGE

David R. Mace. "With warm concern and eminent good sense, Professor Mace takes up the most common issues in courtship, marriage, parenthood, and

family living . . . Eloquent testimony to his competence in subject matter and communication."
—*Journal of Human Relations*. 158 pages. \$2.95

YOUR HOME CAN BE CHRISTIAN

Donald M. Maynard. "Dr. Maynard (head of the religious education dept. of Boston University) offers a well-rounded discussion of child and

parent problems, going far beyond his title."—*Family Life*. "A common sense book."—*Boston Herald-Traveler*. 160 pages. Paper, \$1; Cloth, \$2

CHRISTIAN FAMILY LIVING

Hazen G. Werner. "Read it yourself before you send it on to the couple beginning marriage, tiring of marriage, or just thoroughly confused

about marriage and parenthood."—*Lutheran Standard*. "A valuable guide in any home."—*Westminster Bookman*. 128 pages. \$1

DANGEROUS FATHERS, PROBLEM MOTHERS, AND TERRIBLE TEENS

Carlyle Marney. "Author's keen perception and wise comments help toward a deeper understanding of oneself and other family members . . . lively

and readable, recommended." — *Library Journal*. "An unusually helpful book of short essays." — *Dallas News*. 128 pages. \$2

GUIDEPOSTS TO CREATIVE FAMILY WORSHIP

Anna Laura and Edward W. Gebhard. "Directed particularly to the goal of making the family circle a center of religious education for children . . .

The chief merit of the book is its practicality and concreteness." — *Religious Book Club Bulletin*. 164 pages. \$2.50

THIS LOVE OF OURS

Leslie R. Smith. This helpful book was "written to guide the newly married in building a mutual,

intelligent, loving and enduring relationship." — *Book News*. 100 pages. \$1.75

ABINGDON PRESS

The Family: AS PROCESS AND INSTITUTION

CLIFFORD KIRKPATRICK, *Indiana University*

Now in its Second Edition, this standard textbook employs a consistent theoretical framework to bring meaningful order to our knowledge about family life. It integrates theory with the most recent empirical research findings; uses abundant case material, interwoven throughout, to illustrate concepts and generalizations.

Family types and dilemmas are systematically analyzed as are social changes affecting the family. Among the specific problem areas covered are: sex behavior and early marriage, the family vs. the career, fertility control and its implications, the marriage divorce-remarriage process, and the relation of the aged to the family and the state. Book discusses value frameworks stemming from the scientific study of family experience.

2nd Ed., 1963. 705 pp., illus. \$7.50

MARRIAGE ANALYSIS

Foundation for Successful Family Life

HAROLD T. CHRISTENSEN, *Purdue University*

A comprehensive treatment of marriage, focusing on the interpersonal relationships of the marriage partners during courtship, marriage, and parenthood. Book analyzes personality traits and behavior patterns; discusses broad social programs for strengthening family living.

2nd Ed., 1958. 645 pp., illus. \$6.50

THE COMMUNITY

An Introduction to a Social System

IRWIN T. SANDERS, *The Ford Foundation*

Thorough and systematic, this textbook on community life and organization presents the generic characteristics of all communities regardless of size or location. Authoritative case studies provide a realistic background.

1958. 431 pp., illus. \$6.50

SOCIAL PSYCHOLOGY

An Introduction to the Study of Human Relations

S. STANSFELD SARGENT, *Veteran's Administration*; and ROBERT C. WILLIAMSON, *Haverford College*

An integrative, systematic approach to the science of social behavior. Book incorporates the basic facts and principles, and their application, in this interdisciplinary area composed of sociology, psychology, anthropology, psychiatry, political science, and related fields.

2nd Ed., 1958. 649 pp., illus. \$7.00

Three Outstanding Texts by

Ruth Shonle Cavan

THE AMERICAN FAMILY, New Third Edition.

"Once more—well ahead of the crowded field. Its strength inheres, above all, in its uniquely sociological orientation and the heed it pays to class and ethnicity. The narrative style, too, is refreshingly sprightly and delightfully free of gobbledygook"—Harold M. Hodges Jr., San Jose State College. April, 1963. 548 pages, \$5.75

MARRIAGE AND FAMILY IN THE MODERN WORLD: A Book of Readings.

For courses in marriage preparation and family sociology. The 93 selections are based on the research and experience of leading experts in the field. 1960.....607 pages, \$4.00

AMERICAN MARRIAGE: A Way of Life.

MARRIAGE AND FAMILY INTERACTION

By ROBERT R. BELL, Assistant Professor of Sociology, Temple University

This new text for Marriage and Family courses analyzes the family within a consistent scientific framework, utilizing the functional approach.

The material is presented in four main sections: 1) background to the study of the family, 2) the dating-courtship process, 3) marriage and parent interaction, and 4) marriage breakdown and remarriage. The book brings together the most recent research findings with a broad social psychological framework. Primary emphasis is on the middle-class family within the context of social change.

FOR all FAMILY COURSES

FAMILY DEVELOPMENT

Second Edition

by *EVELYN MILLIS DUVALL*

In this new edition of Dr. Duvall's widely acclaimed work, conceptual framework has been greatly reinforced, and all data have been brought up to date. Emphasis on the family life cycle—the feature that distinguished the first edition—has been retained. And the dynamic, functional approach to family relationships, strengthened by the author's employment of the developmental task concept, remains an outstanding asset. Ideal for all courses concerned in any way with marriage and family relations.

538 pages \$6.95

paperbound edition:*

THE FAMILY IN VARIOUS CULTURES

Second Edition

by *STUART A. QUEEN*
ROBERT W. HABENSTEIN
JOHN B. ADAMS

The only cross-cultural study of family life available in English, this edition has been rewritten and reorganized throughout. Five chapters are entirely new and the remainder of the book has been extensively revised.

The book first presents cross-cultural comparisons of five non-American families—Todas, Hopi, Baganda, classical Chinese, and Kibbutz—and continues with development of the American family from its historical roots in Biblical times to the present.

As readable as it is interesting, this unique work offers the student a panoramic view of the range of variations in forms of family life and the historical development of the contemporary American family. Invaluable for courses in the Family, Marriage, and Comparative Family Systems.

320 pages \$1.85

"Good Books Since 1793"

EAST WASHINGTON SQUARE
PHILADELPHIA FIVE

18 ways to build better family relations . . .

● LOVE and the FACTS of LIFE

Evelyn Mills Duvall

A new book "to up-date her phenomenally successful *Facts of Life and Love* . . . Reflects the greater sophistication of today's teenagers."—William Genne.
