THE NATIONAL COUNCIL ON FAMILY RELATIONS is an international non-profit educational and resource organization dedicated to the strengthening of marriage and the family.

Purpose

The goals of the NCFR are to enable professional practitioners, academicians, and interested laypersons to:

- * work together on the establishment of professional standards in the field.
- * promote and coordinate educational efforts
- * encourage research about the family
- * encourage the development of community services for families
- * stimulate sound, coherent governmental policies pertaining to family issues
- * provide information regarding training centers
- * share pertinent information with professional colleagues and organizations working with families.
