## The National Council on Family Relations

The National Council on Family Relations (NCFR) is the oldest multi-disciplinary family organization in the U.S. It is a non-profit organization of professionals who work in the multi-faceted areas of the family field.

NCFR is highly regarded as an authority for information on a broad range of family concerns, such as psychology, sociology, cross-cultural families, family health, family therapy, work-life, parenting, family stress, gender roles, divorce, family violence, adolescent issues, aging, child development, and life cycle changes. NCFR publishes two widely acclaimed journals - ***Family Relations: Interdisciplinary Journal of Applied Family Sciences***, an applied journal; and ***Journal of Marriage and Family***, the oldest and one of the top five scholarly social science journals in America.

**NCFR is the only professional organization focused solely on family research, policy, and practice.**

### NCFR Mission Statement

To provide an educational forum for family researchers, educators, and practitioners to share in the development and dissemination of knowledge about families and family relationships, establish professional standards, and work to promote family well-being.

### Objectives of the NCFR Annual Conference

The Conference provides a forum for discussion of family issues. Approximately 1,300 family professionals attend each year. The Conference goals are:

- ◆ To provide attendees with valuable continuing education credits. NCFR is approved by the **Amer. Psychological Assn.**, **Natl. Assn. of Social Workers (Metro Washington Chapter)**, **Natl. Board for Certified Counselors**, **Employee Assistance Professionals Assn.**, and **NCFR Certified Family Life Educators** to offer continuing education for psychologists, social workers, and therapists and other family professionals.
- ◆ To provide a means for family professionals to disseminate the latest research with implications for practice.
- ◆ To share stimulating presentations by plenary speakers and leading family scholars.
- ◆ To obtain the latest family research through a variety of learning formats including plenaries, poster sessions, symposia, papers, and round tables.
- ◆ To provide a forum for public policy discussion.
- ◆ To enable attendees to network with leading professionals in the family field.

### The 2005 Logo - The Multiple Meanings of Families

On first look at the logo used for this year's conference theme: "*The Multiple Meanings of Families*," one might conclude that it is just a striped and polka-dot pattern. But look closer and you will see 3 rows of profiles, some facing East and some facing West. These non-gendered symbols attempt to portray the theme that includes variety and diversity of interpretations of "family" to professionals as well as families themselves. East and West directions symbolize global interpretations. They also symbolize differing viewpoints about families, which for family professionals provide the foundation for research and discussion.

# General Information

**Welcome to the 67<sup>th</sup> NCFR Annual Conference.** The theme: **The Multiple Meanings of Families** is the focus of an outstanding, stimulating program.

The NCFR conference is a great opportunity to enhance your professional skills. In addition to dynamic keynote speakers, plenary panels, special sessions and Research Updates, the Sections have invited renowned experts to discuss relevant issues growing from assumptions about what constitutes "family", and how these are embedded in social policy, law, research and practice and how they influence society overall.

In addition to the 400 plus presentations you will network with leaders in the family field and meet NCFR Board members, Section chairs, Journal Editors, and **Michael Benjamin**, NCFR's executive director. They are all anxious to talk with you about your professional goals and the future of NCFR. This is especially important as the Board and staff implement the Strategic planning process approved last year to enhance your member services.

All who attend the conference must be registered, and must stop at the Conference Registration Desk to pick up packets, name badges, and tickets for special events. **NAME BADGES MUST BE WORN AT ALL TIMES DURING THE CONFERENCE: ATTENDEES WILL BE CHECKED AT THE DOORS BEFORE ENTERING THE SESSIONS.** Wearing your name badge helps NCFR staff to track any unknown persons and take proactive steps to ensure your safety. There are special name badges for one session only attendees.

**Note:** This program booklet is the **only copy** you will receive. Bring it with you to the conference. Additional copies will be sold at registration for \$7.00. Program changes are listed monthly on the NCFR website [http://www.ncfr.org/conference\\_info/\\_info/index.asp](http://www.ncfr.org/conference_info/_info/index.asp). A printed copy of latest changes is enclosed in your conference registration packet. Be sure to read it carefully.

# Pre-Conference Workshops

# Pre-conferences Continued

When a woman leaves an abusive partner, her risk of serious violence or death increases dramatically. Efforts to prioritize safety in this context can be challenging, especially when children are involved. Women with children often have ongoing exposure to abusers after separation as they make decisions about custody and share in parenting. This workshop provides an excellent opportunity for researchers, practitioners, and policymakers to come together to discuss the intersection of separation and violence and its implications for families.

*Dr. Campbell is the Anna D. Wolf Chair and Assoc. Dean for Faculty Affairs in the Johns Hopkins Univ. Sch. of Nursing with a joint appointment in the*

(B) *Aging and the Family, It Has  
Never Been This Way Before,*  
**Msgr. Charles Fahey (AP/SW)**

Presider: **Whitney Brosi**

Cultural values and expectations as well as  
public policy have been heavily influenced  
by long standing population patterns.

However, the demographic and epidemio-  
logical revolution of the latter part of the twentieth century  
calls for a fresh look and revised perspectives both in personal  
and public interactions. This lecture will highlight the relevant  
elements inherent in these revolutions, as well as the personal  
values and public policy structures that are impacted. The  
group will be engaged in a conversation about areas in which  
leadership must be exercised.

*Msgr. Fahey, a priest of the Roman Catholic Diocese of  
Syracuse, NY, is Marie Ward Day Professor of Aging Studies  
Emeritus, Fordham Univ. and a program officer for the Milbank

# 2005 Proposal Reviewers

The heart of the NCFR Annual Conference is the Concurrent Sessions sponsored by Sections. Colleagues submit proposals for presentation which are blind peer reviewed by three reviewers from the NCFR Section to which it is submitted. The reviewers' role is key to ensuring that conference presentations are of the highest quality for a rich, rewarding, and stimulating conference experience. Reviewers donated many hours to evaluate the proposals. We are grateful to the following 2005 reviewers:

(R) Presidential Address:

**Wayward Professionals and Families: Where Did Their Ethics Go?** **Gay C. Kitson**, 2003-2005 NCFR President

Presider: **Pamela Monroe**, NCFR Acting President

How is it that well-educated individuals who should have become better socialized at home and work go off their ethical tracks? Such lapses range from shortcomings sanctioned by the National Institute of Health for unscrupulous doctors, journalists who fabricated stories, executives who abused their shareholders and falsified their companies' and corporate policies. Professor Kitson explores possible reasons for their behaviors and what the implications are for those educating the next generation.

NCFR congratulates the winners of the 2005 awards who will be honored during this session. See page 12 for a description of the awards and a list of the winners.

# Getting Your Money's Worth at the Conference

Always check the NCFR website [http://www.ncfr.org/conference\\_info/index.asp](http://www.ncfr.org/conference_info/index.asp) attendees section for the latest tips and information.

## How to Prepare Before You Leave Home

**Register before October 1 to ensure receiving your Program to review ahead of time.** Bring your printed program with you. Additional copies cost \$7.00.

### Review Your Printed Program

Scan the Subject Index on page 5 for presentations that fit your interests. Rank the presentations/meetings you want to attend daily. Use **Your Personal Schedule Planner** in the pullout section.

### Plan Networking Opportunities

Prior to the Conference, schedule appointments with the people you would like to meet at the Conference. Colleagues can introduce you if you have not met them before.

Bring return address labels or print your name and address on a sheet of peel-off labels to quickly attach them to sign-up lists and order forms. (These are especially useful in the exhibits.)

Bring business cards for exhibitors, presenters, and new friends. If you bring a laptop or electronic calendar, add new people/addresses immediately.

Pack copies of your resume' for colleagues or the Employment Matching Service if you registered.

NCFR reserves a limited number of money saving student volunteer positions. If you work 8 hours, half of your conference registration fee will be refunded after the Conference. Contact the NCFR office at 602.741.7131, or print a form off the NCFR Website: [http://www.ncfr.org/pdf/Student\\_Aidex.pdf](http://www.ncfr.org/pdf/Student_Aidex.pdf). Contact Patricia Neff, Family Studies Dept., Arizona State Univ., Tempe, AZ 85287 (e-mail: [patricia.neff@asu.edu](mailto:patricia.neff@asu.edu) by September 1.)

### Networking Opportunities Galore!

**Newcomers Reception** - meet other first-time attendees and the NCFR Board of Directors. Wednesday night.

**President's Welcoming Reception** - Wednesday night.

**Dine-arounds on Friday and Saturday nights** - Sign-ups in Hospitality Room.

**University Receptions** - Thursday night.

**Student Dance** - Friday night.

**Exhibits** - Thursday, Friday, and Saturday.

## Ice Breakers

- ♦ **Check name badges** - coded for students or first-time attendees and introduce yourself. Be a good listener as you learn about the other person/s!
- ♦ **Communicate** by leaving messages at the NCFR message board, the hotel front desk, or room phone message center. The NCFR Cyber Cafe in the Board Room (2nd floor) allow you to check your home and work e-mails, etc. Be courteous about using them.
- ♦ **Central hotel sitting areas** are great places for people watching and meeting!
- ♦ **Write reminders** on the back of business cards about the person to follow up with after you return home.
- ♦ **Sharing rooms** with someone you know adds to the fun and lowers expenses. Call the NCFR office if you want to schedule 1 or 2 roommates.
- ♦ **The Hospitality Center** in the Cowboy Artists Room on the 2nd Floor is a central meeting area and sign-up spot for "dine-arounds," bidding on auction items, or browsing state council displays.

## Keep Physically Fit, Mentally Alert, and Safe

- ♦ Try to get enough rest during the conference. Fatigue is predictable so take time to rest, exercise, and unwind.
- ♦ Don't skip meals! Try to eat a balanced diet. Take workout gear to use with the hotel exercise equipment.
- ♦ **Be safety-smart!** 1) Don't wear your name badge outside the conference facility. 2) Stay in groups when walking outdoors. 3) When in your room, keep the door locked and the deadbolt engaged at all times. Use the peephole to see who knocks, and call the front desk or security to verify, if the person says they are hotel staff. 4) Be alert when riding an elevator by yourself. If a person follows you off the elevator, DO NOT go to your room, as they can observe your room number and enter later. Contact hotel staff immediately if you see anything suspicious. 5) Memorize how you unpack your things and where you place them. Lock and store suitcases in closet. When re-entering your room check to be sure no one is there. 6) Leave valuables in hotel safe deposit boxes. 7) Be alert to people behind you when using cash machines.

## Miscellaneous Notes

- ♦ Leave the Hotel telephone number and your schedule with your family and colleagues for emergencies.
- ♦ Frequently check for messages at the Message Board, and your room phone flasher.
- ♦ Select clothes that create a professional image but are comfortable. Include clothes for exercise and all types of weather. Allow luggage space for bringing home added items. Remove restricted objects if not checking in.

#### Plenary Sessions: (partial list)

(Panel of pioneers in assessment and relational therapy)

*"Just when we thought we were done..."*

Ramifications of the increasing childrearing obligations of grandparents.

*The Third Parent* What do we know - and what do we need to know about the role popular media plays in family

process? - **Dr. David Walsh**, founder of the MediaWise Movement, a program of the Natl. Inst. on Media and the Family.

#### The Theme: Unanswered Questions in Marriage and Family Science

We will pay particular attention to the many things we still don't know about families and relationships, including relational and contextual phenomena we only poorly understand. The challenge is to determine whether some questions are unanswered because they are truly "unanswerable," or simply too controversial? Recent advances in the family literature and research methodology may now make exploration of previously "unanswered" questions more possible. This is our chance to brainstorm new

research topics and innovative clinical approaches that will help the field address the needs of a rapidly changing society.

Here are just some of the fascinating challenges we must explore:

⌘ What are the questions whose answers will make us more effective as promoters and facilitators of family well-being? ⌘ Can family scientists be more effective in promoting a healthy discourse on families, and shaping the decisions of policy makers? (If

so, how?) ⌘ How will the increasing ethnic diversity of the US shape family process? ⌘ How might basic family functions such as childrearing be affected by generational shifts and the needs of an aging population? ⌘ What have we learned about promoting resiliency in families? ⌘ What exactly are the benefits and risks in supporting gay marriages? ⌘ How do partners forming families successfully manage complex relational histories? (e.g. multiple fertility)

#### Special Activities

⌘ Paper sessions and symposia ⌘ "Munchin' with the elders" – Opportunities for students and newer professionals to meet and learn from more senior researchers and clinicians. Look for specific times and locations. ⌘ "Continuing the struggle": Panel discussion on improving the prospects for males of color in fami-

lies. ⌘ Research Update for Professionals (RUPs) ⌘ "Play night at the Penumbra Theatre" (St. Paul, MN) ⌘ Special Recognition ... ⌘ Opportunities for continuing education credits (CEUs) ⌘ and much more

# Silent Auction

## Donate Items to, and Visit the Silent Auction - Support the AZ Lost Boys of Sudan Center!

Send or bring your donations and white elephant items for the silent auction sponsored by the AZ Local arrangements committee and co-chaired by **Patricia Merk, Leanor Boulton Johnson, and Amy Reesing**. All proceeds will go to the support of the **AZ Lost Boys (and Girls) Center**.

Since the Mid-1980's, East African Sudan has experienced brutal civil war fueled by religious, ethnic and regional strife. Thousands of innocent children having been orphaned and experiencing traumatic horrors, fled into the jungle and began walking to Ethiopian refugee camps until they were forced by Communist guerrillas to return to the Sudanese horrors. They turned to Kenya, arriving in Kakuma in 1992, weak, hungry, frightened, but with the resilient hope of youth, an unyielding faith in God, and a desire to become educated. Their treks were 1-3000 miles long. The UN and USA have resettled over 4,000 of these now young men in America. Over 400 of them are in Arizona. To learn more about these remarkable youth, go to: [www.azlostboyscenter.org/about.htm](http://www.azlostboyscenter.org/about.htm)

**The Lost Boys Center** serves these Sudanese youth by supporting their successful assimilation into the community, empowering them to advocate for themselves and addressing their unique economic, cultural, emotional, educational, and resettlement needs. NCFR can help to support this humanitarian effort.

Last year NCFR donated over \$2,500 to the rural women's health project in Orlando, Florida. Let's challenge ourselves to do even better for these young boys. **Come to the Hospitality Center - Silent Auction - Cowboy Artists Room - Tues. - Sat. 8 a.m. to 5 p.m.**, and place your bids, or leave a cash donation. Bids will close at 2:00 p.m. Friday. We will announce the final results of the Auction on Saturday morning.
